**Application for Sanitary Sewer Service Connection - \$1,250.00**

The undersigned, representing himself as owner of the property located at \_\_\_\_\_

\_\_\_\_\_ ,

hereby makes application for connection to the Sanitary Sewerage Service of the Village for said property, and in consideration of the furnishing of said services covenants and agrees as follows:

1. I agree to abide by all rules and regulations as specified in and by the ordinances of the Village of Valmeyer now in effect or enacted and passed from time to time providing for the regulation of the sanitary sewer system or specifying fees and rates to be charged for connection and sanitary sewer service furnished by the Village. It is further acknowledged and agreed that the undersigned, his heirs, executors, administrators, successors, and assigns shall pay all charges for connection fees and sewer usage which shall become due as the result of the connecting of the sewerage mains and the furnishing of sanitary sewerage service to the above property, and that all such charges and fees for sanitary sewerage service rendered to the property, together with penalties, if any, and the costs of collection are to be considered and become a charge against the property, the lien so created to be enforced in accordance with the ordinances of the Village.
2. All bills for the aforesaid charges are payable on or before the due date following the receipt of said bill and if not paid, are subject to a **ten percent (10%)** penalty.
3. Each and all of the agreements and covenants herein contained shall run with the real estate above described whose present owner is signatory to this application.
4. I understand that after making this application, I am to await for installation permits and instructions therewith.
5. **Service Connection Fee:** \$\_\_\_\_\_ is enclosed herewith, payable to the Village.
6. Permission is hereby granted to the Village and its authorized representatives at any reasonable time to enter the premises of the applicant and any portion thereof for the purpose of inspecting all appurtenant connections to the Sewage Outlets, Pipes and Mains.
