PLEASE READ THE FOLLOWING INFORMATION BEFORE SIGNING THIS DOCUMENT.

Valmeyer Village Code 40-4-10 Swimming Pools – Section (A). Every swimming Pool, two (2) feet or greater in depth, whether public or private shall be enclosed by a wall or fence at least four (4) feet in height and must have a gate that shall be locked when the pool is not in use. An Above-the-Ground Pool, four (4) feet or higher, need not have a fence with a gate, so long as (i) the ladder is removed when not in use, or (ii) the pool has a deck entrance with a gate that is locked when the pool is not in use. Section (B) No swimming pool shall be placed on any lot between the principal building and the front lot line, or between the principal building and any side lot line abutting any street.

The applicant/contractor agrees to follow the current Village adopted International Building Code which means the structure may require inspections by the Village or its contracted agents. The applicant hereby agrees that the approval of plans, or the issuing of a permit, procured by misrepresentation of facts or conditions, misstatements in application or through improper action of any officer or employee of the Village of Valmeyer, Illinois, does not legalize an illegal construction, arrangement or condition. I hereby certify the above answers are correct and true.
